LABELING SANTA'S TOYS

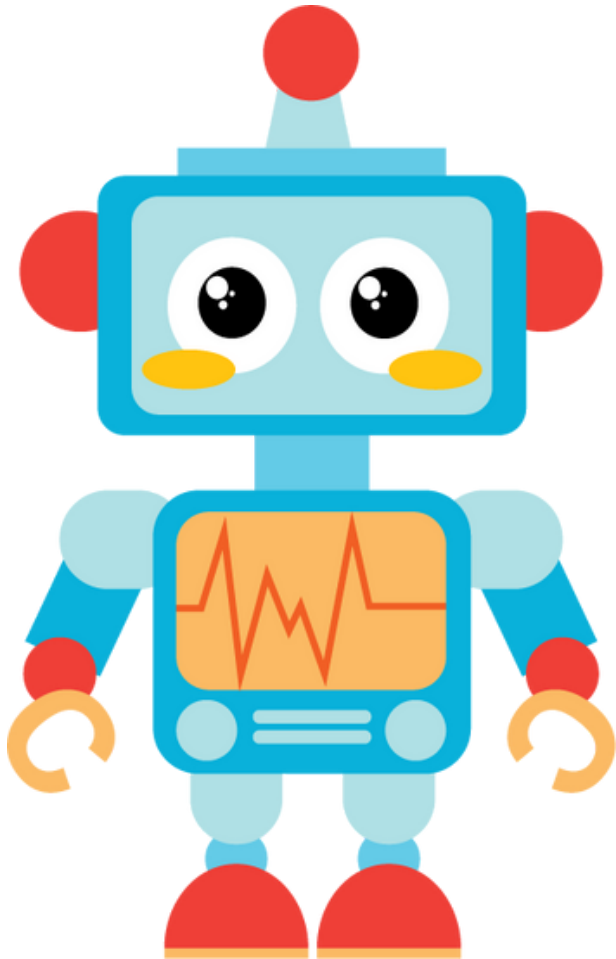

Santa wants to label the children's toys so they don't get lost! Can you help him?

The worksheet consists of a vertical line of ten blank rectangular boxes. Each box is connected to a central vertical line by a diagonal line that ends in a small circle, resembling a string or a label tag. The boxes are intended for labeling toys.

CHRISTMAS KINDNESS

This is completely optional, but can be a great chance to get rid of some of your child's old toys that they don't play with any more.

Encourage them to be one of Santa's helpers (or a Christmas elf) and put some toys they don't want into a 'sack' (or bag) to give to other children.

As an extra challenge, they can write a list of what they donated to look back on...
